

COST ACTION CA 17140
NANO2CLINIC
CANCER NANOMEDICINE - FROM THE
BENCH TO THE BEDSIDE

Industrial Partners Workshop Series-COST ACTION 17140 -

Connecting research and industry in cancer nanomedicine

Meet Our Industry Partners

First Workshop Series. **Thursday 23/9 at 17-18h CET.**

Phoenix Open Innovation Test Bed for GMP Manufacturing of
Nanopharmaceuticals

Dr. Nazende Günday-Türelı, MyBiotec, Germany

Lipid Nanoparticles methods, characteristics and applications in
drug delivery

Dr. Paolo Gasco, Nanovector, Italy

"Safety-by-design – important cornerstones on the way to the
(nano)market"

Dr Andreas Falk, BioNanoNet, Austria

COST ACTION CA 17140
NANO2CLINIC
CANCER NANOMEDICINE - FROM THE
BENCH TO THE BEDSIDE

Industrial Partners Workshop Series-COST ACTION 17140 –
Connecting research and industry in cancer nanomedicine

Meet Our Industry Partners

Second Workshop Series. **Thursday 30/9 at 17-18h CET.**

Preclinical toxicity studies at Cellvax

Dr. Mingxing Wei, CellVax, France.

NANOM MEMS

Biomedical applications of thick film technology

Dr. Marin Gheorghe, NANOM MEMS, Romania

The REFINE Decision Support System (DSS) for cost-efficient preclinical assessment of nano(bio)materials used in the medical sector

Dr. Lisa Pizzol, GreenDecision, Italy
