

Nanotechnology Meets Nanomedicine

International Summer School for Chemistry, Physics, Material
Sciences, Medicine and Life Sciences students

Topics:

- *Nanostructures*
- *Photonics*
- *Bioimaging*
- *Bionanotechnology*

**27th - 30th June,
2019**

Venue:

Faculty of Chemistry and Geosciences,
Vilnius University
Vilnius, Lithuania

Registration deadline:

April 1st, 2019

www.nanophoto.de

Participation fee:

Early-bird Deadline till April 15th - 130 EUR

Registration Deadline till May 1st - 200 EUR

Late Registration or on Site - 250 EUR

Planned lecturers:

- Prof. Sabrina Pricl, MoIBNL@UniTS – DEA, University of Trieste, Italy
- Dr. Andrey Kuzmin, Deputy Director, SUNY, The State University of New York, USA
- Prof. Virginijus Barzda, University of Toronto Mississauga, Canada
- Dr. Vladimir Sivakov, Leibniz Inst. of Photonic Technology, Germany
- Prof. Chia-Liang Cheng, National Dong Hwa University, Taiwan
- Prof. Ricardas Rotomskis, National Cancer Institute, Lithuania
- Prof. Gediminas Niaura, Center for Physical Sciences and Technology, Lithuania
- Dr. Mangirdas Malinauskas, Vilnius University, Lithuania
- Practical Session on Imaging Software, ect.
